

Accessing the Web Genetic Selection Guide

Go to www.AgSource.com. Look at the upper right hand corner where you see **Login to Get Your Data:** and click on the arrow next to the drop down box where it says, Select Data Resource.

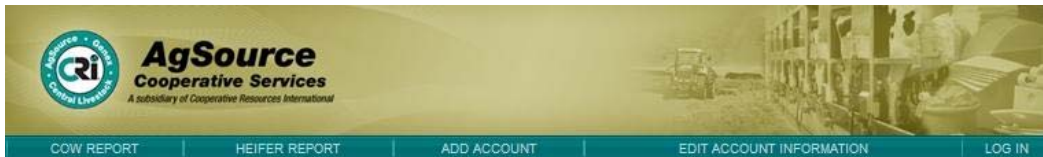

The drop down box will expand and reveal Genetic Selection Guide as the first item. Highlight Genetic Selection Guide by clicking on the title.

Next click the word **LOGIN** below the drop down box.

Your browser will display the Genetic Selection Guide login page which looks like this. Click on the **Register now** link.

For each report there are different selection criteria to chose from. You can use one or more selection criteria to chose the animals you wish to look at. You can sort the report by any column; simply click on the label at the top of the column. A second click on the same column label will reverse the sort order.
